### Insurance Verification Questions

Body of Work Wellness, LLC will submit bills to your insurance company as a courtesy to you. However, we do not verify your benefits and cannot provide details of your plan. **Please verify your plan's coverage for massage therapy prior to coming to your appointment.** Below are important questions to ask when checking your benefit.

Name: \_\_\_\_\_

- Is massage therapy covered when done by a licensed massage therapist?  
*(Note: If the answer is "no" an appointment at Body of Work Wellness will not be a covered service.)*
- Do I have a visit limit?
- Do I need a pre-authorization or a referral for massage therapy?
- How much is my copay or co-insurance?
- Do I need to meet my deductible before my benefit applies? If so, what is my deductible, and how much has been met?  
*(Note: If your deductible has not been met, you can still choose for us to bill insurance and have it contribute towards your deductible.)*
- Are there any limitations to my benefit?
